

Photo Sessions

Whether in the studio, outdoors at your favorite scenic spot, or on-location for a special event, your photo session will be handled with care for quality and creativity. With over 20 years of photography and graphic design experience Don combines exceptional photography with creative ideas to make your photo session unique. We'll have fun during the session, making for a relaxed atmosphere.

Studio Photo Session: \$75

Focus on lighting, and capturing relaxed comfortable expressions. Prior to the session, we'll have a pre-session consultation meeting where we plan out the wardrobe and backdrops, as well as talk about any specific ideas you may have.

- Unlimited number of poses during the session
- Number of outfit changes during the session is limited only by time.
- Studio Photo Sessions typically last 1-2 hours.
- Ideal for singles, couples, or families of 5-7.
- Can do larger groups. However space may be a limiting factor for in-studio sessions.

Outdoor Photo Session: \$90

Focus on lighting, and capturing relaxed comfortable expressions. Prior to the session, we'll have a pre-session consultation meeting where we plan out the wardrobe and locations, as well as talk about any specific ideas you may have.

- Unlimited number of poses during the session
- Number of outfit changes during the session is limited only by time.
- Outdoor Portrait Sessions typically last 2-3 hours.
- Ideal for singles, couples, or families of 5-7.
- Can do larger groups too. We'll choose a good location based on the group size.
- On-location event photography is priced hourly and quoted on a per-project basis.
